ISO Registration

Axcel Photonics Inc. recently passed the ISO registration audit and received the ISO 9001:2000 certification in December 2008. Axcel is proud of this achievement, and the company's employees continuously work to improve all aspects of their quality management system.

New MRP System (DBA)

Axcel Photonics implemented a new MRP system, DBA Manufacturing software, in the beginning of 2008. Axcel's MRP system is another tool which allows the company to meet the ISO 9001:2000 quality standard and satisfy the requirements of its customers.
